SILMAX AEROSOL

Code 1483

Premium Silicon Spray

DESCRIPTION:

SILMAX is an all purpose silicon spray which can be used as a lubricant, waterproofing compound or industrial mould release.

APPLICATIONS

Industrial: Use as dry lubricant for band saw blades, router tips and drill bits. Lubricate sliding surfaces, cutting table surfaces, knives. Mould release agent for plastic, rubber and metal castings, prevents adhesion build up.

Automotive: Doors, locks, hinges, window channels and cables. Waterproof and insulate ignition systems, squeaks in dashboards, spray shine for tyres, rubber mouldings & battery terminals.

Household: Garage doors, sliding doors, curtain tracking and windows. Waterproof shoes, luggage. Free sticky drawers.

Sport: Waterproof leather gear, boating equipment, fishing equipment, golf bags, sport footwear. Will not impair the comfort and breathability of the material.

DIRECTIONS: Shake well before use. Apply in spray from 20 – 30cms from the surface allow a few minutes for drying.

FOR WATERPROOFING: Apply spray from 100 – 150cm from surface and apply in even sweeping motions. Ensure to be treated is clean and dry. For maximum water repellency allow 2 -3 hours drying time.

CAUTION

Highly flammable, **do not** use near fire or open flame. Do not incinerate or puncture this can even when empty. Keep in a cool place out of the sun. Do not Store above 50°C. Keep spray away from eyes. Avoid contact with skin and eyes. Do not smoke.
