

TECHNICAL DATA SHEET

TOILET CLEANING KIT

Code 4851/TOIKIT

DESCRIPTION

Callington Toilet Cleaning Kits are versatile aircraft inflight cleaning packages, which readily support the inflight cleaning procedures for aircraft lavatories.

The kit consists of effective bactericidal cleaner and gloves. The Toilet Cleaning Kit is purposely designed for single use only and can be disposed of in normal waste outlets after use.

The Ki-ose 3-in-1 included in the Toilet Cleaning Kit, counteracts and neutralises unpleasant odours from the toilet and cabin area. Ki-ose can also be used in toilets and air conditioning vents to kill germs. Ki-ose is also effective as a surface cleaner for hand basins toilets, cupboards, passenger trays and floors.
