

TECHNICAL DATA SHEET

RoxDiesel® Low Foam Cetane Concentrate Code 8752

A Concentrated Premium Diesel Additive for Cetane Improvement & Complete Diesel Treatment (9300C)

DESCRIPTION

RoxDiesel® LFC Concentrate is a multi-functional ashless organic fuel additive. It provides a complete diesel treatment and is specially designed to give enhanced combustion through the addition of Cetane improvers and deposit control detergents. RoxDiesel® LFC Concentrate will turn your regular diesel into a premium fuel.

FEATURES AND BENEFITS

- Allows high flow fillings
- Increases cetane rating of fuel
- Delivers saving in fuel consumption,
- Reduces Adblue consumption
- Reduces engine wear
- Reduces particulate matter and NOx emissions
- Cleans combustion chamber and injector deposits
- Enhanced fuel stability
- Reduces noise, vibration and corrosion

APPLICATION

The recommended treat rate is 1:750 for the initial treatment and 1:200 to 1:4000 for subsequent treatments.

SPECIFICATION

Appearance colour: Light brown coloured liquid
Density: 0.96 +/- 0.01
Transparency: Clear

HANDLING

Combustible - Do not use near open flame or heat. Keep out of reach of children. Refer to the Material Safety Data sheet for further information.
