

## TECHNICAL DATA SHEET

### ROX™ 9300C

**Code 8753**

#### *Complete Diesel Fuel Treatment & Cetane Improver*

#### DESCRIPTION

ROX™ 9300C is a multi-functional ashless organic fuel additive. It provides a complete diesel treatment and is specially designed to give enhanced combustion through the addition of Cetane improvers. ROX™ 9300C will turn your regular diesel into a premium fuel.

#### BENEFITS

Reduces emissions & black smoke  
Improves fuel economy  
Reduces combustion deposits  
Enhances fuel stability in storage; rust inhibition & sludge dispersion

#### APPLICATION

The recommended treat rate is 1:500 for the initial first time treatment and 1:1000 for subsequent treatments. Add 1 part of ROX™ 9300C to 500 parts of Diesel for the first treatment. Mix well. For subsequent treatment add 1 part to 1000 parts of Diesel.

#### SPECIFICATION

Appearance colour : light brown coloured liquid  
Density : 0.89 +/- 0.02  
Transparency : clear

#### HANDLING

Combustible - Do not use near open flame or heat. Keep out of reach of children. Refer to the Material Safety Data sheet for further information.

#### FIRST AID

If swallowed - do NOT induce vomiting. Give a glass of water to drink. Contact a Doctor or Poisons Information Centre.

If in eyes flush with plenty of water for at least 15 minutes. If on skin, wash with soap and water.

#### PACKAGING

Available in 20 litre and 200 litre containers.
